## ESSENCE OF LIVING

Relationships founded on  
**Integrity, Quality,  
Dedication, and  
Professionalism**

## About Us

The Vajram Group is a new generation, Bangalore-based, real-estate development company, transcending conventions in design, quality, construction and customer relationships based on its founding principles of **Integrity, Quality, Commitment and Professionalism**.

Vajram's experience in delivering residential, hospitality and commercial projects is built on these four core values that are embedded in us from blueprint to brick.

We believe that the key element of all our projects is always the CUSTOMER - a view shared by one of the most dedicated teams in the industry. We're about building more than just concrete structures and buildings - we want to build homes and great working environments that will inspire and last the test of time. The best interests of our clients always come first and we place your concerns ahead of our own.

# Vajram Essenza Overview

”ESSENZA, as the name suggests, is the essence of living, an aspirational space designed with a passion to detail. Essenza captures the quality of life, as one would want it to be. Practical, yet luxurious; strong yet graceful; contemporary, yet timeless.

Soaring 14 floors in two magnificent adjacent blocks, with Italian marble finished entrance lobby, the Essenza elevates your dreams into a new world.

## Location

- Only 4 kilometers from the Outer Ring Road
- 5-minute drive to Manyata Tech Park through the signal-free Thanisandra Main Road
- Close to major international schools, colleges, hospitals, and malls
- Easy access to public transport and basic amenities in the vicinity
- Easy access to Hebbal, City Centre and Bangalore International Airport

## Features

- Amenities include - swimming pool, toddler's pool, squash court, well equipped gym, steam room, reading room-cum-library, children's play area, walking track, and a multi-function hall with an extended manicured lawn that is ideal for a surprise party.
- Over 70% of Essenza is open area in keeping with our green design philosophy to maximize the use of natural light and cross-ventilation. Apartment layouts are designed to maximize your personal perimeters so that you get the most daylight and privacy away from your neighbors.
- Common spaces like corridors are minimized to maximize your living space.
- For the believers, our vastu experts have certified the apartments as being vastu compliant to the ancient traditions.

## Safety & Environment

- Vajram Essenza is rated for seismic compliance for Bangalore's geography.
- Ergonomic gateways and drives for optimum traffic management and security check posts.
- Video door phones are provided in every apartment to help residents visually screen visitors at the gate.
